---

---

**Children under 16 need parental permission to use public Library computers to access the internet:**

I give permission  I do not give permission

Buckinghamshire Libraries (including Community Library partners) are part of the South East Library Management System (SELMS) Consortium. Your borrower record will be held on a shared database but your details will only be available to staff in another authority if you choose to borrow or reserve items from that authority. If you have any questions, staff at your Library will be happy to explain. All data is held strictly in accordance with the requirements of the Data Protection Act 1998

# Join your Library

Please complete this form and provide proof of your name and current address. If you are under 16 your parent or guarantor will need to sign the form and show proof of their identity (or their own Library card).
